**Fee Adjustments**

The University Council has approved increments of 4,7% for tuition fees and 6,7% for student residence fees for the 2021 academic year. These increments are in line with the DHET compact on University fees for the 2021 academic year.

**Acceptance of offer fee**

The acceptance of offer fee for 2021 has remained unchanged and amounts to R250 for all first-time entry students.

**Registration fees**

The required 2021 registration fees are as follows:

- Local students registering for tuition only: R4,000.
- Local students registering for both tuition and residence: R7,000.
- International students: 100% of the total tuition and residence fees for 2021.

**Student levy applicable to all students**

The student levy for 2021 has been increased from R250 to R260 per student. This adjustment has been determined using the same % increment as the tuition fees.

**Student levy applicable to international students**
