8. MEDICAL HEALTH COVER

It is compulsory for you to obtain one of the UKZN recommended medical health covers which are **CompCare** and **Momentum Health**. You will be required to pay for the full calendar year, i.e. from 01 January to 31 December of that year or for 6 months if you will be spending one semester at the university.

Medical Health Cover is one of the requirements when applying for a study visa at the South African High Commission in your country. Please be advised that without Medical Health Cover you will not be granted a study visa. It is thus advisable to make the necessary financial arrangements for the medical health cover prior to applying for a study visa.

- Orientation
- Text materials (issued by the University)
- Field Trips
- Books, stationery and equipment
- Transport (off campus)
- Sports clubs and societies (optional)
- Pocket money
- Incidental medical expenses

As a guideline, a total amount of at least R33 260 (South African Rands) should be allowed for a full year's study to cover the above.

10. OTHER USEFUL INFORMATION

Currency

The currency in South Africa is the Rand. Bank notes currently available are R100, R50, R20 and R10. Coins are R5, R2, R1, 50c, 20c, 10c and 5c. There is no restriction on the amount of foreign currency being brought into the country, as long as it is declared to the Customs/Excise official on arrival.

Whilst you will need some cash with you on arrival for travel costs to the University as well as general expenses during the first few weeks on campus, it is wise to bring most of your money in travelers cheques.

Monetary Values

Foreign money and travelers' cheques, provided the currency is accepted in South Africa, may be converted into local currency at most banks and other authorised institutions such as Bureau de Changes, American Express, Thomas Cooke/Rennies, Travel Agencies, Airlines, etc. Some hotels and restaurants do accept travelers' cheques for payment of services and purchases.

Banking

We recommend that you provide a little more money than required and that you place it in a bank account until needed. (The bank will require you to produce your passport to open such an account.) This has the advantage of avoiding delays and extra costs, which can be incurred in the transfer of additional funds at a later stage.

Financial Aid

Regrettably, financial aid is not available to international students. International students are advised to make enquiries from their local Minister of Education or Scholarship Offices at universities in their country of origin
